VAULT-TEC

CERTIFICATE OF RECOGNITION

This certificate is proudly presented to

Jas Jassar

for active participation in Vault 403 CTF 2025, a cybersecurity-themed Capture the Flag competition inspired by the Fallout universe, held on November 15, 2025, at Southern Alberta Institute of Technology (SAIT). Through teamwork, creativity, and problem-solving, participants contributed to fostering a culture of innovation and cybersecurity awareness within the SAIT community.

Academic Chair, Cyber Security
School for Advanced Digital Technology (SADT)
